DOVER CHAMBER OF COMMERCE HONORS CITIZEN OF THE YEAR AT ANNUAL DINNER

More than 200 people attended the Greater Dover Chamber of Commerce Annual Dinner at the New England Center in Durham on Saturday, March 13. The black-tie optional event honored Citizen of Year Robert Marston and Volunteer of the Year Linda Hagan of Jewelry Creations. Dover librarian Cathy Beaudoin nominated Marston for the Citizen of the Year Award and made the formal presentation on Saturday night. "Bob knows an astounding amount of Dover history," said Beaudoin. "He has volunteered as a guide on the Dover Heritage Walk throughout its 24 years of existence and has been an active member of the Dover Historical Society for many years." Marston also has served on the Dover Library Board of Trustees for several consecutive terms and on a number of committees at the First Parish Church, and he regularly serves food at the soup kitchen. "We're lucky to have people like Bob, who has given so much of his time and talent back to the community," said Chamber President Jack Story. "His efforts have made the Dover area a better place for all of us."

COMMUNITY PARTNERS TO HOST TRI-CHAMBERS BUSINESS OPEN HOUSE

Community Partners will host the next Tri-Chambers Business Open House on Thursday, April 8. Co-sponsored by the Greater Dover, Rochester, and Somersworth Chambers of Commerce, this event will take place from 5:00 to 7:00 p.m. at Community Partners' location at 25 Old Dover Road in Rochester, N.H.

Tri-Chamber Business Open Houses provide a forum for members of the region's business community to make new business contacts, renew acquaintances, and network with members of other area Chambers.

Both members and non-members should call the Greater Dover Chamber of Commerce at 603-742-2218, the Greater Rochester Chamber of Commerce at 603-332-5080, or the Greater Somersworth Chamber of Commerce at 603-692-7180 to make reservations.

The Greater Dover Chamber of Commerce is a not-for-profit association of businesses, professionals, individuals, and organizations working together to advance the economic well-being of its members and the community.

For details on Dover Chamber membership, a schedule of activities, and information on other programs, please call the Greater Dover Chamber of

Commerce at 603-742-2218, email info@dovernh.org, or visit www.dovernh.org.

DOVER CHAMBER OF COMMERCE BUSINESS OPEN HOUSE TO PREVIEW NEW ARTS CENTER

The Greater Dover Chamber of Commerce will hold its monthly Business Open House on Thursday, March 25 from 5:00-7:00 p.m. at the new Garrison Players Arts Center on Route 4 (at the corner of Roberts Road) in Rollinsford, NH. The event will be hosted by the Garrison Players and D. F. Richard Energy.

Chamber members and guests (non-chamber members are welcome to attend as guests of members) will have an opportunity to make new business contacts, renew acquaintances, and meet new members-attendees are urged to bring a supply of business cards to exchange. Preregistration is required, so call the Greater Dover Chamber of Commerce at 603-742-2218 to make a reservation.

The newly renovated building, planned to open officially to the public this May, will provide a home for fine arts performances and displays and a meeting space for small groups. With the help of a \$180,000 New Hampshire Land and Community Heritage Investment Program grant received in 2003 and a brick-selling drive to meet the matching portion of the grant, the Garrison Players are continuing a \$331,000 fundraising effort.

The Hiram R. Roberts Grange Hall was originally constructed in 1894 from a design by noted Dover architect Alvah Ramsdell, who later designed the building that is now Dover Junior High School, the old Strafford Bank building, and others including the New Durham Town Hall, which is listed in the National Register of Historic Places.
